

Meet The Corporate and Commercial Team

Band Hatton Button's wide range of corporate and commercial clients ranges from sole traders and partnerships, through to small and medium-sized companies, to large public companies and other organisations.

We understand that, in a competitive world, businesses of all sizes need to have access to the highest standard of legal advice, delivered promptly and without jargon in order to enable them to form their own decisions.

We advise on a diverse range of issues including:

- Shareholders rights and agreements
- Business transfers or sale and purchase of assets
- Mergers and acquisitions
- Management buy-outs
- Corporate reconstruction and refinancing
- Company formation and restructuring
- Compliance and governance
- Company secretarial and administration
- Directors duties and liabilities
